

# TECH58 GROUP PRIVACY POLICY

Tech58 Private Limited and its subsidiaries namely Ultracon.in ecom Private Limited and Dr. Civil R&D Private Limited and its affiliates namely Ultracon Infrachem Private Limited and partnership firm Ultracon International (collectively referred to as "**Tech58 group**", "**Company**", "**we**", "**our**", "**us**"), owners of the domain names and websites ("**Website**") and other mobile or software applications ("**App**"), (collectively, hereinafter referred to as "**Platform**"), as detailed in Annexure A hereto, respect your privacy and are committed to protecting it through compliance with our privacy policies. This policy describes:

- the types of information that Tech58 group may collect from you when you access or use the Platform and avail the services specifically offered by Tech58 group ("**Services**");
- our practices for collecting, using, maintaining, protecting, disclosing and processing your personal information.

This policy applies only to the information Tech58 group collects through the Platform, email, text and other electronic communications sent through or in connection with our Services comprising of our websites, products, applications and services.

Please read this policy carefully to understand Tech58 group's policies and practices regarding your information and how Tech58 group will treat it. By accessing or using our Services and/or registering for an account with Tech58 group, you agree to this privacy policy and you are consenting to Tech58 group's collection, use, disclosure, retention, and protection of your personal information as described here. If you do not provide the information Tech58 group requires, Tech58 group may not be able to provide all of our Services to you.

The office of the Tech58 Private Limited located at 422/38, Rajiv Colony, NH-8, Gurugram, Haryana- 122001, India will be the controller of your personal data provided to, or collected by or for, or processed in connection with our Services.

Your data controller is responsible for the collection, use, disclosure, retention, and protection of your personal information in accordance with our privacy standards as well as any applicable national laws. Your data controller may transfer data to our sister concerns and associates of Tech58 Private Limited as described in this Privacy Policy. Tech58 group may process and retain your personal information on our servers in India where our data centres are located, and/or on the public hosted cloud platform of third parties (in or outside India), having contractual relationships with Tech58 group.

## INTRODUCTION:

## **Changes To The Privacy Policy**

We review and update this Privacy Policy from time to time. When we do, we will note the date of the version on the Privacy Policy and post it on the Website. You can tell when we last updated this Privacy Policy by checking the "Last Updated" date at the top of this Privacy Policy. You also may obtain the historical versions of this Privacy Policy by contacting us.

Since this policy may change from time to time, your continued use of Tech58 group's Services after it makes any change is deemed to be acceptance of those changes, so please check the policy periodically for updates. Additionally, after updating our privacy policy, Tech58 group may send an email or other electronic communication to its existing users informing them about the said update.

## **Your Duty To Inform Us Of Changes To Your Personal Data**

It is important that the personal data we hold about you is accurate and current. Please keep us informed if your personal data changes during your relationship with us by making required updation of your personal data in the profile section at the Platform.

## **Permissible Age**

The Services are not intended for users under the age of 18 years, unless permitted under applicable local laws (Permissible Age). We do not knowingly collect any personal information from users or market to or solicit information from anyone under the Permissible Age. If we become aware that a person submitting personal information is under the Permissible Age, we will suspend/delete the account and any related information as soon as possible. If you believe we might have any information from or about a user under the Permissible Age, please contact us at [info@tech58.in](mailto:info@tech58.in).

## **Third-Party Links**

Our Website may include links to third-party websites, plug-ins and applications. Your use of these features may result in the collection, processing or sharing of information about you, depending on the feature. Please be aware that we are not responsible for the content or privacy practices of other websites or services which may be linked on our services. We do not endorse or make any representations about third-party websites or services. Our Privacy Policy does not cover the information you choose to provide to or that is collected by these third parties. We strongly encourage you to read such third parties' privacy policies.

## **WHAT INFORMATION WE COLLECT ABOUT YOU:**

Tech58 Group collects several types of information from and about users of our Services, including:

- **Personal Information of our users** - Personal Information is the information that can be associated with a specific person and could be used to identify that specific person whether from that data, or from the data and other information that we have, or are likely to have access to. We do not consider personal information to include information that has been made anonymous or aggregated so that it can no longer be used to identify a specific person, whether in combination with other information or otherwise.
- **Personal Information of customers, clients, vendors, employees or associates of our users** - In case our user is an organisation or association of persons or an entity, we collect personal information about its customers, vendors, employees or associates that are provided to us by our users.
- **Information about your internet connection, the equipment you use to access our Services and your usage details, etc.**
- **Aggregate Data** - Tech58 group also collects, uses and shares aggregated data such as statistical or demographic data. Aggregated Data may be derived from your personal data but is not considered personal data in law as this data does not directly or indirectly reveal your identity. However, if we combine or connect Aggregated Data with your personal data so that it can directly or indirectly identify you, we treat the combined data as personal data which will be used in accordance with this Privacy Policy.

## **Personal Information**

The information we collect on or through our Services may include:

- **Your account information:** Your full name, email address, postal code, password, date of birth, blood group, family members' details and other information you may provide with your account, such as your gender, mobile phone number and website. Your profile picture that will be publicly displayed as part of your account profile. You may optionally provide us with this information through third-party sign-in services such as Facebook, Google Plus, etc. In such cases, we fetch and store whatever information is made available to us by you through these sign-in services.
- **Your customers, clients, vendors, employees or associates' information:** The personal information you provide through our Services regarding your customers, clients, vendors, employees or associates for the purpose of availing the services offered by us. In case you are an organisation or association of persons or an entity, you acknowledge and confirm that your customers, clients, vendors, employees or associates are aware about the fact that their personal information have been shared by you with us for the effective usage of our services.

- **Your preferences:** Your preferences and settings such as time zone and language.
- **Your content:** Information you provide through our Services, including your reviews, comments, lists, current and prior ordering details and history, contact information of people you add to, or notify of, your orders through our Services, names, and other information you provide on our Services, and other information in your account profile.
- **Your searches and other activities:** The search terms you have looked up and results you selected.
- **Your browsing information:** How long you used our Services and which features you used; the ads you clicked on.
- **Your communications:** Communications between you and other users or merchants through our Services; your participation in a survey, poll, sweepstakes, contest or promotion scheme; your request for certain features (e.g., newsletters, updates or other products); your communication with us about employment opportunities posted to the services.
- **Your transactional information:** If you make purchases through our Services, we may collect and store information about you to process your requests and automatically complete forms for future transactions, including (but not limited to) your phone number, address, email, billing information and credit or payment card information. This information may be shared with third-parties which assist in processing and fulfilling your requests, including Payment Card Industry Data Security Standard (PCI DSS) compliant payment gateway processors. When you submit credit or payment card information, we encrypt the information using industry standard technologies, as further described below under "Payment Card Information." If you write reviews about businesses with which you conduct transactions through our Services, we may publicly display information that you transacted with those businesses.
- **Your Public Posts:** You also may provide information (such as ratings, reviews, photos, comments, likes, etc.) to be published or displayed (hereinafter, "posted") on publicly accessible areas of our Services, or transmitted to other users of our Services or third-parties (collectively, "User Contributions"). Your User Contributions are posted on and transmitted to others at your own risk. Although we limit access to certain pages, you may set certain privacy settings for such information by logging into your account profile. Please be aware that no security measures are perfect or impenetrable (see "Security" section below). Additionally, we cannot control the actions of other users of our Services with whom you may choose to share your User Contributions. Therefore, we cannot and do not guarantee that your User Contributions will not be viewed by unauthorized persons. We may display this information on the Services, share it with businesses, and further

distribute it to a wider audience through third party sites and services. You should be careful about revealing any sensitive details about yourself in such postings.

We use the information you provide to us to enhance the functionality and improve the quality of our Services, and to personalize your experience while using our Services. We also use this information to display relevant advertising, provide support to you, communicate with you, and comply with our legal obligations.

### **Information about Your Messages**

If you exchange messages with others through the Services, we may store them in order to process and deliver them, allow you to manage them, and investigate possible violations of our Terms of Service and wrongdoing in connection with the Services. If you send information from the Services to your mobile device via SMS text message, we may log your phone number, phone carrier, and the date and time that the message was processed. Carriers may charge recipients for texts that they receive.

### **If You Fail To Provide Personal Data**

We require some data to be mandatorily provided by you for the purpose of availing our Services. Where we need to collect personal data by law, or under the terms of a contract we have with you and you fail to provide that data when requested, we may not be able to perform the contract we have or are trying to enter into with you (for example, to provide you with or avail from you certain goods or services). In this case, we may have to cancel a product, service or the arrangement you have with us but we will notify you if this is the case at the time.

## **HOW WE COLLECT YOUR PERSONAL INFORMATION:**

We use different methods to collect personal data from and about you including through the following:

- **Direct interactions** - You may give us your Personal Information by accessing or using the Platform and availing the services specifically offered by Tech58 group and by filling in forms or by corresponding with us by post, phone, email or otherwise. This includes personal data you provide when you:

- apply for our products or Services;
- apply for a job or gain employment with us;
- offer to do business with us;
- visit or create an account on our Website/App/Platform;
- use our mobile applications;
- disclose information on our social media pages, message boards, comment fields, chat areas or other community forums;
- subscribe to our Services or publications;

- request marketing to be sent to you;
  - attend our webinars or seminars;
  - enter a competition, promotion or survey; or
  - give us some feedback.
- **Automated Data Collection Technologies** - We may automatically collect certain information about the computer or devices (including mobile devices) you use to access the Services, and about your use of the Services, even if you use the Services without registering or logging in, which may include:
    - **Usage information:** Details of your use of our Services, including traffic data, location data, logs and other communication data and the resources that you access and use on or through our Services.
    - **Computer and device information:** Information about your computer, Internet connection and mobile device, including your IP address, operating systems, platforms, browser type, other browsing information (connection, speed, connection type etc.), device type, device's unique device identifier, mobile network information and the device's telephone number.
    - **Stored information and files:** Our applications also may access metadata and other information associated with other files stored on your mobile device. This may include, for example, photographs, audio and video clips, personal contacts and address book information.
    - **Location information:** Our applications collect real-time information about the location of your device, as permitted by you.
    - **Last URL visited:** The URL of the last web page you visited before visiting our websites.
    - **Mobile device IDs:** Unique mobile device identifier (e.g. IDFA or other device IDs on Android and Apple devices), if you're using our Services on a mobile device, we may use mobile device IDs (the unique identifier assigned to a device by the manufacturer), instead of cookies, to recognize you. We may do this to store your preferences and track your use of our applications. Unlike cookies, mobile device IDs cannot be deleted. Advertising companies may use device IDs to track your use of our applications, track the number of advertisements displayed, measure advertising performance and display advertisements that are more relevant to you. Analytics companies may use mobile device IDs to track your usage of our applications.
    - **Your preferences:** Your preferences and settings such as time zone and language.
    - **Your activity on the Services:** Information about your activity on the Services, such as your search queries, comments, domain names, search results selected, number of clicks, pages viewed and the order of those pages, how long you visited our Services, the date and time you used the Services, error logs, and other similar information.
    - **Mobile status:** For mobile application users, the online or offline status of your application.
    - **Applications:** If you use the Tech58 group application, Tech58 group may collect information about the presence or absence or details pertaining to other applications on

your mobile phone. The applications we gather information for, may vary across categories including, without limitation, shopping, etc. This will help us understand you and your preferences better and enable Tech58 group to provide you with a personalized experience.

- **Cookies and Other Electronic Tools** - We, and third parties with whom we partner, may use cookies, pixel tags, web beacons, mobile device IDs, "flash cookies" and similar files or technologies to collect and store information in respect to your use of the Services and third party websites. By using our Services with your browser set to accept cookies you are consenting to our use of cookies in the manner described in this section. For more information please read our Cookie Policy. Please note that the Third parties whose products or services are accessible or advertised through the Services, including social media services, may also use cookies or similar tools, and we advise you to check their privacy policies for information about their cookies and other practices. We do not control the practices of such partners and their privacy policies govern their interactions with you.

- **Information from Third Parties or Publicly available sources**- We may collect, process and store your user ID associated with any social media account (such as your Facebook and Google account) that you use to sign into the Services or connect with or use with the Services. When you sign in to your account with your social media account information, or otherwise connect to your social media account with the Services, you consent to our collection, storage, and use, in accordance with this Privacy Policy, of the information that you make available to us through the social media interface. This could include, without limitation, any information that you have made public through your social media account, information that the social media service shares with us, or information that is disclosed during the sign-in process. Please see your social media provider's privacy policy and help center for more information about how they share information when you choose to connect your account.

We may process your personal information that is available on public platforms such as websites of government organizations, regulatory bodies, or other public platforms where you have explicitly made your information available. We are not responsible or liable for personal data that you post in public forums or otherwise choose to make public. We have the right but not the obligation to monitor any activity and remove information from comment fields, message boards, events and other interactive sections of the Services.

We may also obtain information about you from third parties such as partners, marketers, third-party websites, and researchers, and combine that information with information which we collect from or about you.

### **Precise Location Information and How to Opt Out**

When you use one of our location-enabled services (for example, when you access Services from a mobile device), we may collect and process information about your mobile device's

GPS location (including the latitude, longitude or altitude of your mobile device) and the time the location information is recorded to customize the Services with location-based information and features (for example, to inform you about the local suppliers in your area or applicable promotions). Some of these services require your personal data for the feature to work and we may associate location data with your device ID and other information we hold about you. We keep this data for no longer than is reasonably necessary for providing services to you. If you wish to use the particular feature, you will be asked to consent to your data being used for this purpose. You can withdraw your consent at any time by disabling the GPS or other location-tracking functions on your device, provided your device allows you to do this. See your device manufacturer's instructions for further details.

### **Anonymous or De-Identified Data**

We may anonymize and/or de-identify information collected from you through the Services or via other means, including via the use of third-party web analytic tools as described below. As a result, our use and disclosure of aggregated and/or de-identified information is not restricted by this Privacy Policy, and it may be used and disclosed to others without limitation.

## **HOW WE USE THE INFORMATION WE COLLECT:**

We will only use your Personal Information when the law allows us to. Most commonly, we will use your Personal Information in any of the following circumstances:

- Where you have provided your consent to use such personal data.
- Where we need to perform the contract we are about to enter into or have entered into with you.
- Where it is necessary for our legitimate interests (or those of a third party) and such interests do not override your interests or fundamental rights which require protection of your personal data.
- Where we need to comply with a legal or regulatory obligation, or otherwise as required or permitted under applicable law.

### **Purposes for Which We Will Use Your Personal Information**

We use the information we collect from and about you for a variety of purposes, including to:

- Process and respond to your orders and queries.
- Understand our users (what they do on our Services, what features they like, how they use them, etc.), improve the content and features of our Services (such as by personalizing content to your interests), process and complete your transactions, and make special offers.
- Administer our Services and diagnose technical problems.
- Send you communications that you have requested or that may be of interest to you by way of emails, or courier, or registered post, or telephone calls, or any other mode of communication. We may also share your preferences or the Services availed by you

with your network followers on Tech58 group for marketing and other promotional activities of our Services.

- Send you questions from other users that you may be able to answer if you have registered with Tech58 group.
- Enable us to show you advertisements that are relevant to you.
- Generate and review reports and data about, and to conduct research on, our user base and Service usage patterns.
- Administer contests and sweepstakes.
- Provide you with customer support.
- Provide you with policies about your account.
- Carry out our obligations and enforce our rights arising from any contracts entered into between you and us, including for billing and collection.
- Notify you about changes to our Services.
- Allow you to participate in interactive features offered through our Services.
- In any other way we may describe when you provide the information.
- For any other purpose with your consent.
- We may use the information we have collected from you to enable us to display advertisements to our advertisers'/service providers' target audiences. Even though we do not disclose your personal information for these purposes without your consent, if you click on or otherwise interact with an advertisement, the advertiser may assume that you meet its target criteria.
- We may also use your information to contact you about our own and third-party goods and services that may be of interest to you. If you do not want us to use your information in this way, please adjust your user preferences in your account profile.

## **HOW WE SHARE THE INFORMATION WE COLLECT:**

We may disclose personal information that we collect or you provide, as described in this privacy policy, in the following ways:

- **General Information Disclosures:**
  - To our subsidiaries and affiliates, which are entities under common ownership or control of our ultimate parent company Tech58 Private Limited.
  - To contractors, sellers, service providers, advertisers and other third-parties whom we use to support our business and who are bound by contractual obligations to keep personal information confidential and use it only for the purposes for which we disclose it to them.
  - To a buyer or other successor in the event of a merger, divestiture, restructuring, reorganization, dissolution or other sale or transfer of some or all of Tech58 group's assets, whether as a going concern or as part of bankruptcy, liquidation or similar proceeding, in which personal information held by Tech58 group about the users of our Services are among the assets transferred.

- To third-parties to market their products or services to you if you have consented to receive the promotional updates. We contractually require these third-parties to keep personal information confidential and use it only for the purposes for which we disclose it to them.
- To fulfill the purpose for which you provide it.
- For any other purpose disclosed by us when you provide the information.

- **Service Providers:** We may share your information with outside vendors that we use for a variety of purposes, such as to send you communications via emails, messages or tele-call to inform you about our products that may be of interest to you, push notifications to your mobile device on our behalf, provide voice recognition services to process your spoken queries and questions, help us analyze use of our Services, and process and collect payments. Some of our products, services and databases are hosted by third party hosting services providers. We also may use vendors for other projects, such as conducting surveys or organizing sweepstakes for us. We may share information about you with these vendors only to enable them to perform their services.

- **Legal Purposes:** We may share your information when we believe in good faith that such sharing is reasonably necessary in order to investigate, prevent, or take action regarding possible illegal activities or to comply with legal process. We may also share your information to investigate and address threats or potential threats to the physical safety of any person, to investigate and address violations of this Privacy Policy or the Terms of Service, or to investigate and address violations of the rights of third parties and/or to protect the rights, property and safety of Tech58 group, our employees, users, or the public. This may involve the sharing of your information with law enforcement, government agencies, courts, and/or other organizations on account of legal request such as subpoena, court order or government demand to comply with the law.

- **Social Networks:** If you interact with social media features on our Services or use your social media credentials to log-in or post content, these features may collect information about your use of the Services, as well as post information about your activities on the social media service. Your interactions with social media companies are governed by their privacy policies.

- **Enforcement of Agreements:** To enforce or apply our Terms of Use and other agreements, including for billing and collection purposes.

- **Protection of rights:** If we believe disclosure is necessary or appropriate to protect the rights, property, or safety of Tech58 group, our customers or others. This includes exchanging information with other companies and organizations for the purposes of fraud protection and credit risk reduction.

- **Consent:** We may share your information in any other circumstances where we have your consent.

- **Information Shared with Sellers or Service Providers:** When you place an order for products and services through our Platform, your information is provided to us and to the sellers or service providers with whom you choose to transact business. In order to facilitate your order processing and transaction, we provide your information to that seller or service provider in a similar manner as if you had placed an order or transacted business directly with the said seller or service provider. If you provide a mobile phone number, the sellers or service providers or Tech58 group may send you text messages, whatsapp or email regarding your order's delivery status. Some sellers or service providers also require you to provide credit or debit card account information to secure your orders. When you place an order or transact business through our Services and/or make a payment to a seller or service provider through our Services, we may also share with them additional information, such as information about your order preferences and history or information that we collect from third-parties. Such information you choose to share with a seller or service provider through our Services may be used by the said seller or service provider for its own purposes. We do not control the privacy practices of sellers or service providers. Please contact the sellers or service providers directly if you want to learn about its privacy practices.

- **Payment Card Information:** To use certain of our Services and to make payments to certain sellers or service providers, we may require credit or debit card account information. By submitting your credit or debit card account information through our Services, you expressly consent to the sharing of your information with sellers or service providers, third-party payment processors, and other third-party service providers (including but not limited to vendors who provide fraud detection services to us and other third parties), and you further agree to the following terms:

- When you use a credit or debit card to secure an order or business transaction through our Platform, we provide your credit or debit card account information (including card number and expiration date) to our in-house or third-party payment service providers and the applicable seller or service provider.
- When you initially provide your credit or debit card account information through our Services in order to use our payment services, we provide your credit or debit card account information to our in-house or third-party payment service providers. These in-house or third-party payment service providers may store your credit or debit card account information so you can use it for payment of our Services in the future.
- For information about the security of your credit or debit card account information, see the "Security" section below.

- **Analytics:** To help us better understand your use of the Services, we may use third-party web analytics on our Services, such as Google Analytics. These service providers use the sort of technology described in the "Automatically-Collected Information" Section above. The information collected by this technology will be disclosed to or collected directly by these service providers, who use the information to evaluate our users' use of the Services. We also use Google Analytics as described in the following section. To prevent Google Analytics from

collecting or using your information, you may install the Google Analytics Opt-Out Browser add-on.

- **Tailored Advertising:** Third parties whose products or services are accessible or advertised via the Services may also use cookies or similar technologies to collect information about your use of the Services. This is done in order to help them-
  - Inform, optimize, and serve ads based on past visits to our website and other sites and
  - Report how our ad impressions, other uses of ad services, and interactions with these ad impressions and ad services are related to visits to our website.

We also allow other third parties (e.g., ad networks and ad servers) to serve tailored ads to you on the Services, and to access their own cookies or similar technologies on your computer, mobile phone, or other device you use to access the Services. We neither have access to, nor does this Privacy Policy govern, the use of cookies or other tracking technologies that may be placed by such third parties. These parties may permit you to opt out of ad targeting. To opt out of Google Analytics for Display Advertising or customize Google Display Network ads, you can visit the Google Ads Settings page. Please note that to the extent advertising technology is integrated into the Services, you may still receive ads even if you opt-out of tailored advertising. In that case, the ads will just not be tailored to your interests. Also, we do not control any of the above opt-out links and are not responsible for any choices you make using these mechanisms or the continued availability or accuracy of these mechanisms. When accessing the Services from a mobile application you may also receive tailored in-application advertisements. Each operating system: iOS, Android and Windows Phone provides its own instructions on how to prevent the delivery of tailored in-application advertisements. You may review the support materials and/or the privacy settings for the respective operating systems in order to opt-out of tailored in-application advertisements. For any other devices and/or operating systems, please visit the privacy settings for the applicable device or operating system or contact the applicable platform operator.

### **Choices about how we use and disclose your information**

We strive to provide you with choices regarding the personal information you provide to us. You can set your browser or mobile device to refuse all or some browser cookies, or to alert you when cookies are being sent. To learn how you can manage your Flash cookie settings, visit the Flash player settings page on Adobe's website. If you disable or refuse cookies, please note that some parts of our Services may then be inaccessible or not function properly. We do not share your personal information with any advertising agency.

### **Communication choices**

When you sign up for an account, you are opting in to receive messages, emails or whatsapp from other Tech58 group users, businesses, and Tech58 group itself. You can log in to manage your email preferences and follow the "unsubscribe" instructions in commercial email

messages, but note that you cannot opt out of receiving certain administrative policy, service policy, or legal policy from Tech58 group.

### **Reviewing, changing or deleting information**

If you would like to review, change or delete personal information we have collected from you, or permanently delete your account, please use the "Contact Us" link or contact the Tech58 group Grievance Officer or send your request by clicking 'delete my account permanently' tab provided in your account profile section.

If you delete your User Contributions from our websites, copies of your User Contributions may remain viewable in cached and archived pages, or might have been copied or stored by other users of our websites. Proper access and use of information provided on our websites, including User Contributions, is governed by our Terms of Use.

### **Accessing and correcting your personal information**

We will take reasonable steps to accurately record the personal information that you provide to us and any subsequent updates. We encourage you to review, update, and correct the personal information that we maintain about you, and you may request that we delete personal information about you that is inaccurate, incomplete, or irrelevant for legitimate purposes, or are being processed in a way which infringes any applicable legal requirement.

Your right to review, update, correct, and delete your personal information may be limited, subject to the law of your jurisdiction:

- If your requests are abusive or unreasonably excessive,
- Where the rights or safety of another person or persons would be encroached upon, or
- If the information or material you request relates to existing or anticipated legal proceedings between you and us, or providing access to you would prejudice negotiations between us or an investigation of possible unlawful activity. Your right to review, update, correct, and delete your information is subject to our records retention policies and applicable law, including any statutory retention requirements.

## **DATA SECURITY: HOW WE PROTECT YOUR INFORMATION**

Tech58 group has put in place appropriate security measures to prevent your personal data from being accidentally lost, used or accessed in an unauthorized way, altered or disclosed. In addition, we limit access to your personal data to those employees, agents, contractors and other third parties who have a business need to know. They are only permitted to process your personal data on our instructions and are subject to a duty of confidentiality. We have implemented appropriate physical, electronic, and managerial procedures to safeguard and help prevent unauthorized access to your information and to maintain data security. These

safeguards take into account the sensitivity of the information that we collect, process and store and the current state of technology. We follow generally accepted industry standards to protect the personal information submitted to us, both during transmission and once we receive it. The third party service providers with respect to payment gateway and payment processing are all validated as compliant with the payment card industry standard (generally referred to as PCI compliant service providers).

You are responsible for maintaining the security of your account credentials and other authentication involved in obtaining access to password-protected or secure areas of the Services. We will treat access to the Services through your account credentials as having been authorized by you. We shall bear no liability in respect of such unauthorized use of your account. Unauthorized access to password-protected or secure areas is prohibited and may lead to criminal prosecution. We may suspend your use of all or part of the Services without notice if we suspect or detect any breach of security. If you believe that information you provided to us is no longer secure, please notify us immediately using the contact information provided. We assume no liability or responsibility for disclosure of your information due to errors in transmission, unauthorized third-party access, or other causes beyond our control.

## **DATA RETENTION AND ACCOUNT TERMINATION:**

We retain the personal data collected or otherwise processed by us, (i) for as long as necessary to fulfill the purposes for which you provided the information, (ii) for the purposes of satisfying any legal/regulatory, accounting, or reporting obligations, (iii) to resolve disputes, (iv) to enforce agreements, and (v) for such other purposes as are permitted under applicable law.

To determine the appropriate retention period for personal data, we consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorized use or disclosure of your personal data, the purposes for which we process your personal data and whether we can achieve those purposes through other means, and the applicable legal requirements that may require or permit retention for a longer duration.

You may contact us for more information about the period of time for which we will process your personal information.

In some circumstances we may anonymise your personal data (so that it can no longer be associated with you) for research or statistical purposes in which case we may use this information indefinitely without further notice to you.

You can close your account by visiting your profile settings page on our website. We will remove your public posts from view and/or dissociate them from your account profile, but we may retain information about you for the purposes authorized under this Privacy Policy unless prohibited by law.

## **Job applicants**

If your information is submitted to us through our Service when applying for a position with our company, the information will be used to consider your application. We may retain your information for any period of time. This information may be shared with other companies for the purpose of evaluating your qualifications for the particular position or other available positions, as well as with third-party service providers retained by us to collect, maintain and analyze candidate submissions for job postings.

## **CONTACT US:**

If you have any queries relating to the processing/ usage of information provided by you or Tech58 group's Privacy Policy, you may email the Data Protection Officer (DPO) at [info@tech58.in](mailto:info@tech58.in) or write to us at the following address.

Tech58 Private Limited
